FINE collection of gems is very beautiful—rich, rare coloring is to be found there that it is vain to search for elsewhere, and the effects of the refracted light is gorgeous in its brilliancy.
I have jewelry of all sorts and my prices are extremely low.
Orders by mail will receive most careful attention—and though the selection in that case would have to be left to me, I will willingly change any article which does not please.

OFF TO THE CONCLAVE

Washington Knights Templar
Leave for Boston To-day.

FOUR COMMANDERIES GOING
Two Trains Will Take Them—Question of Establishing Permanent Headquarters in This City to Be Discussed at the Encampment.

The four commanderies of the Knights Templar of the District will be en route on the B. & O. at 10:10 o'clock tomorrow morning for the annual convocation, which will meet on the 27th instant at Boston. All of the arrangements were practically completed last evening.
The commanderies—Washington, No. 1, Columbia, No. 2, De Molay and Potomac, have been doing some good drilling during the past week, preparatory to the grand parade at Boston. A parade of Washington commandery in full uniform and all regalia was held yesterday afternoon at the Capitol Park. There were 150 in line.
WILL GO IN TWO SECTIONS.
The Washington contingent will leave in two sections, Washington and De Molay at 10 a. m., and Columbia and Potomac at 10:10 a. m. Two through trains from the South by the Southern Railway will pass through here for Boston this morning.
It has been found impracticable for the Knights to board the Connecticut, the steamer on which they are to make the trip to Providence, at Jersey City. A train for that city will be necessary to New York. The Connecticut will leave New York at 5 p. m., and will arrive at Providence at 5 o'clock Monday morning, and leave there after breakfast at 8 o'clock for Boston where they will arrive about 5 p. m.

Washington Commandery No. 1 will be escorted to headquarters by Olive Commandery, of Lynn, Mass. The four local commanderies will be the guests of that commandery on Thursday of convocation week, permanent headquarters here.

The matter which will most interest the District commanderies at the coming convocation will be the establishing here of a permanent headquarters. A committee has prepared a resolution to that effect, which will be submitted to the grand encampment.

The following is a correct and complete list of the officers and members of the Washington commandery and those who will go with them to Boston and to whose quarters have been assigned at the Adams House:
